Only to be completed for scientific activities

Institution / University

Field of study

Matriculation number

Semester

Bachelor thesis Master thesis Dissertation Internship / Traineeship

Collecting and research approval needed YES NO

Title of Research-, Master-, Projectwork or Internship

Supervision of the Master thesis / Dissertation / Internship

After completion of the work, two completed copies of the master thesis / diploma thesis / dissertations / Internship report or publication(s) must be provided free of charge. Furthermore, I commit myself to a proper handling of all devices that I use during my stay at the Tropical Field Station La Gamba. I understand that I have to obtain a research and collecting license for my scientific activities or, in the case of export of scientific material, an export license from the Costa Rican Ministry of Economy (MINAET).
